We will pass several "Ghost" towns, traveling upward through Prescott and Kaibab National Forest while going over Hell Canyon. On your way past places such a Tusayan Ruin and Museum, Little Colorado River Gorge, Dinosaur Tracks and Glen Canyon Bridge. Did you see Steamboat Rock before entering Utah? How about those pink sand dunes on one side and cliff dwellings on the other, then through a corner of the Dixie National Park alongside the "Virgin River" and a summit of 7,530 feet through parts of Dixie National Park and Bryce Canyon National Park past Thor's Hammer, Fossil Beds, Kodachrome Basin, Escalante Petrified Forest, Anasazi Indian Village plus all the very beautiful varied colored rock formations.
