Three Flags Classic Chairman's Greetings

Welcome Riders !!

It looks like a great weekend for a ride to Mexico!!

The city of Abbotsford has been good enough to host the start of the 42nd Three Flags Classic and we are very glad to be here. Only minutes from the USA border and lots of amenities available locally makes this a great place to start another wonderful Classic. It's been awhile since we've been into Mexico and most of our riders are really looking forward to Puerto Peñasco for our finish. It will be warm and should also be a lot of fun. I am looking forward to seeing all of you at the finish line. Ride smart and be safe and you'll have a wonderful rally.

May the pavement stay dry and may the wind always be at your back.

Cheers

Chris White

The SCMA Board of Directors welcomes you to the 2017 42st Annual Three Flags Classic. This year's Three Flags Classic Committee has worked diligently to once again bring you a fun 3FC. We have been fortunate to have Chris White of Vancouver Island (and 37 years of riding this event) accept the 3FC Chairmanship and to have **Victor M. Castañeda Jr.** of Buckeye, AZ (and president of the AZRATPack) to be his Vice Chairman. Together they are returning the 3FC to Mexico!

We have been very fortunate to have volunteers in CAN, USA and MEX working to make this event successful. You will see GWRRA volunteers and others at the start working the check-in stations.

We are also fortunate to have the *Hood River Eye Openers Lions Club, Tri-County Fair* (Winnemucca), *Kane County Events & Volunteer Center* (Kanab), *and the AZRATPack, Pueblo and Rocky Point Riders* manning the finish in Puerto Peñasco.

When you meet these wonderful volunteers please give them a smile, a warm handshake and a hearty "Thank You" of appreciation. Our sincere appreciation is extended to the Abbotsford and Puerto *Peñasco* civic leaders, Chambers of Commerce, Tourism Boards and staff of *Peñasco* del Sol for hosting our event and making us feel most welcome.

Ride Safe.....Ride Long,

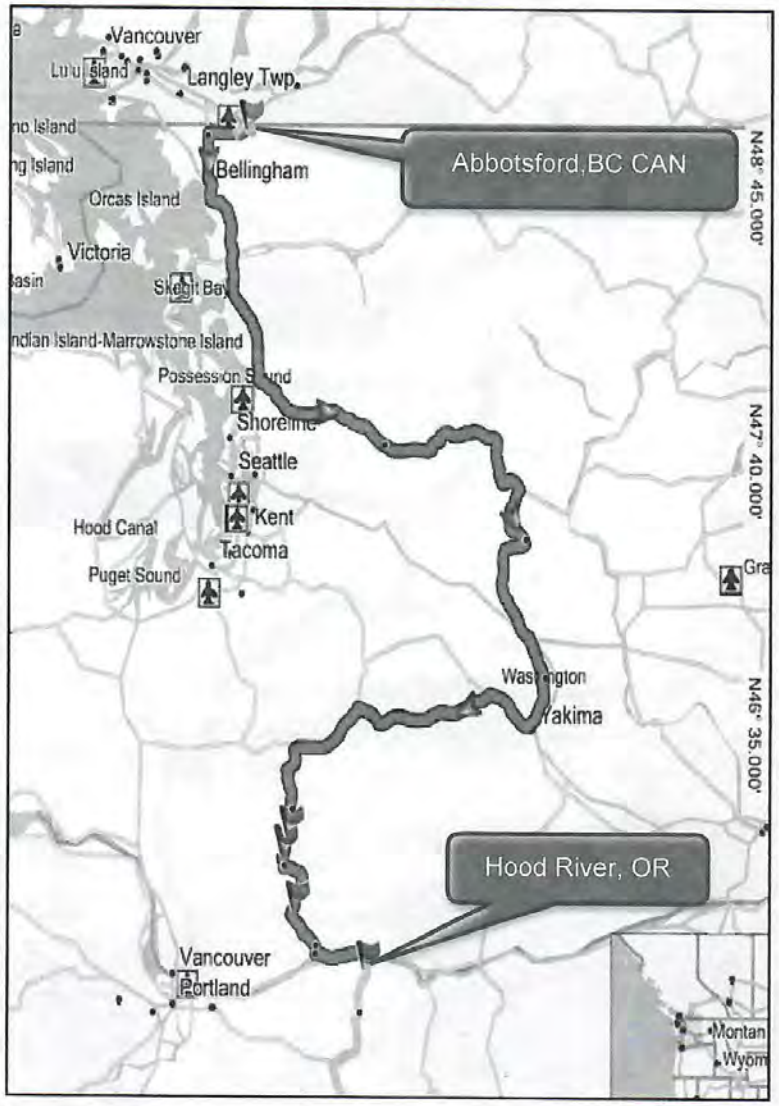
2017 Three Flags Classic Route Map Day 1



2017 Three Flags Classic - Day 1 Description
Date September 1, 2017
Abbotsford, BC to Hood River, OR

From Abbotsford we cross the USA border in Sumas, WA. From Sumas the route will take us through Sedro Woolley, Everett, the Wenatchee National Forest, Ellensburg, and Yakima. We then ride some of the White Pass Scenic Byway westward on US 12 to Randle where we then turn south towards the Mt. St. Helens National Volcanic Monument and Carson, WA. The distance from Randle to Carson is about 80 miles (130km). Some of this stretch is twisty and a bit bumpy in spots. Allow yourself at least two full hours to do this stretch of road. There are many stretches of wide open road later on this route and absolutely no reason to "rush yourself" through Washington. On the road there are usually a few choices to make along the way. Here's one that may be worth noting. From Carson the route goes east on Hwy 14, following the north shore of the Columbia River, to the Hood River-White Salmon Interstate Bridge. This bridge is a long metal grate type of bridge with a $0.75 toll payable as you come off the bridge.

OPTION: From Carson go west instead for 6.5 miles and cross the Columbia River on the Bridge of the Gods instead. Same construction and the toll's a bit more ($1.00) but it's 66% shorter.

2017 Three Flags Classic - Day 2 Description
Date September 2, 2017
Hood River, OR to Winnemucca, NV

The next leg continues south through the Mount Hood Wilderness and National Forest areas on US 26 through Madras and Prineville. From Prineville we go straight south to US 20 and then eastward to Burns, OR. You'll want to ***FILL UP*** in Burns! The next gas station is in Fields, OR and is about 112 miles south of Burns. The Fields Station store is open year round, but closes at ***6pm*** every day. From Fields it's still another 121 miles to Winnemucca, NV so plan accordingly.

Winnemucca, NV is the second checkpoint and at this point you'll be almost half way to Puerto Peñasco.

2017 Three Flags Classic - Day 3 Description
Date September 3, 2017
Winnemucca, NV to Kanab, UT

Leaving Winnemucca we go east, on I-80 for a few miles of freeway driving, to Battle Mountain where we turn straight south again. Once in Austin, NV we'll travel east on US 50, "The Loneliest Road in America".

Continuing east on US 50 we go through Ely, NV and get almost to the Utah border before we turn southeast on SR-21. This highway takes us to Minersville, UT and here's where we turn south again on SR-130 to Cedar City, UT and the junction of SR-14. SR-14 runs about 41 miles from Cedar City to the Long Valley Junction. This highway has been designated the Markagaunt High Plateau Scenic Byway and is part of the Utah Scenic Byways program. As it ascends from Cedar City (elevation 5,800 feet) to Midway Summit (elevation 9,896 feet), it passes through some dramatic scenery including several tall cliffs, mountain terrain, and alpine forests. This area is part of Dixie National Forest and from SR-14 there are places where you can look down into Zion Park. At the SR-14 and US 89 junction we turn south again to the third checkpoint in Kanab, UT.3

Russ Brown is the Official Attorney for the Southern California Motorcycle Association

Russ Brown, the original motorcycle lawyer who rides, founded Russ Brown Motorcycle Attorneys in 1975. His lifelong passion for riding naturally led him to help fellow bikers who were being taken advantage of in personal injury cases. As his attention to bikers' rights and participation in political debates propelled him into the limelight, he became a legal resource for all riders across the U.S.

Today Russ Brown and his law partners Chuck Koro and Jim Romag are leaders in the field of motorcycle accident law.

We appreciate Russ Brown's support for the SCMA and recommend them to all of our members should a need for an attorney arise.

Route Map Day 4 to the Finish

2017 Three Flags Classic - Day 4 Description
Date September 4, 2017
Kanab, UT to Puerto Peñasco, SON, MEX

Leaving Kanab the route goes south on US 89A towards Fredonia and Jacobs Lake. This interesting stretch of road is five miles shorter than going through Page on US 89. The very last leg of this year's 3FC ***is going to be hot!*** Coming out of the mountains in Flagstaff it will start getting quite warm around Phoenix and, depending on the time of day, will continue to be quite hot all the way to Puerto Peñasco. Therefore, for the first time ever…

…the FINISH will open for ONE hour on Tuesday morning with the banquet still on Tuesday night.

This will allow riders to rest up somewhere cool for the night and get an early start Tuesday before it gets too hot. Finishing at 8pm on Monday and feeling "forced" to ride through 100□ or more, just to get your buckle, isn't going to be necessary this year.
