September 4, 2009

Dear Participant,

It gives us great pleasure to welcome you to the 34th Annual Three Flags Classic.

This year, as a Three Flags Participant, you become part of the long tradition begun by the Southern California Motorcycling Association in 1976. Many riders return year after year, exploring new routes and affirming old friendships along the way and over the years.

The S.C.M.A. and volunteers associated with this event have worked long and hard to make this year's ride a success. We trust the wide variety of roads will make the 34th especially memorable to you.

If you have any questions, problems or need assistance while on the Three Flags Classic, you may call the: 24 HOUR TELEPHONE

What to do if....

During the ride, you may encounter an emergency, a closed road or some other unanticipated development that simply is out of the ordinary. Long distance riding has its own list of personal challenges and, while we are not here to hold your hand, we are here to provide support and information that will make your ride a positive and enriching experience.

For instance, if a road is closed by a forest fire and we become aware of it, SCMA will attempt to have alternate route information on this site. If you are the first person to encounter a road closure or an accident, please be proactive and make every attempt to inform us so we know.

Our 24-hour emergency number is:

Toll Free: inside the U.S.A. - (800) 424-5377
Toll Call: outside Continental U.S. - (818) 377-6280
It is supported by B.A.M. (Bikers Against Manslaughter). It is our clearing house for information that evolves during the ride.

The cell phone numbers of the ride committee are:
Route Chairman - Bob Masuzumi (714) 308-8083
Route Assistant - Dennis Even (661) 210-8264
Checkpoint Chair - Chuck Jones (714) 851-4668
Vice Chair - Blake Anderson (714) 801-3931

Reaching a member of the ride committee during daylight riding hours will be spotty. Everyone will be on the road. But during gas stops, meal stops and in the evening, the ride committee will check their phones for messages. Do leave complete messages including your name, location and phone number in the hope of making contact.

Leaving messages at check points can also be a useful way of passing information "up the line".
