“Welcome Center” Construction Project

Four Corners Park

Madawaska Maine

Hello Four Corners Finishers, SCMA’ers and all Distance Riders,

A few weeks ago I visited Joe and Diane LaChance, founders of the Four Corners Park in Madawaska ME. Joe was kind enough to take me to the park to walk the pavers so many of you have commissioned through your donations. We also walked the Acadian pavers. These are pavers commissioned by citizens of the surrounding community to support the Park and honor their Arcadian history.

It was quite moving to see so many supporters in building and maintaining the Four Corners Park.

Joe then described his dream of building a Welcome Center at the north side of the parking lot. I was very impressed with his ability to squeeze such a center into the available land space.

His plan is to have a place where visitors would have a building to take shelter in from inclement weather while visiting the Park. The center would also contain historical and other info of SCMA in addition to the community. It would be furnished for visitors to rest, and would have restrooms for visitor’s use....a big improvement over the current “Port-a-Potty” arrangements.

The challenge to accomplishing this goal is funding. Cost is estimated at \$21,000.

Many of you have contributed in the past with paver donations or direct contributions to the Foundation. Now we are asking once again for your help in supporting the Four Corners Park.

If each of us donated to the Foundation, Joe would be able to move forward with completing this wonderful project. If every **Finisher** of the Four Corners Tour donated \$20, and if every non-finisher **Member** of SCMA donated \$10, the Welcome Center would become a reality!

You will receive an acknowledgement letter for your Tax Deduction. Please use the form on the next page in helping Joe and Madawaska build the Welcome Center!

Ride Safe.....Ride Long,
.....Gonzo

Four Corners Park Welcome Center Donation
