

Hello Everyone,

This is the week we place the order for shirts, hats, and plaques.

If you are still planning to ride the 2018 Three Flags Classic and would like to be assured of a t-shirt in your size, you need to purchase your ticket by Wednesday, July 25, 2018.

Your 3FC committee has been hard at work creating designs for this event, securing some good door prizes, completing the pre-ride, visiting each of the checkpoints, publishing the GPXgarmin files, and many other details. Our Start (low key) and Finish (high key) Captains have been administering to many details to ensure all goes well at each location.

Danny and Barbara Fox are almost

done with turn by turn instructions. As soon as we have those instructions they will be posted to the website and published in the newsletter.

If you are a recent purchaser you need to make reservations for your hotels. Contact info for the start and finish hotels are in previous blasts and are available for viewing at:

<https://sc-ma.com/rides/3-flag-parent/eblasts-for-2018-3fc/>

We highly suggest you make reservations for your hotels along the way. I personally am staying at each of the checkpoint cities and have made reservations at a local motel. I simply googled "motels atxyz city" and picked one that looked good. Remember, this is the Labor

Day Weekend and there will be a lot of travelers on the road making reservations at the motels.

Best Western in Rawlins WY may still be willing to accommodate your reservation at a decent rate compared to what is being charged by other hotels over that weekend. Danny arranged for a discount rate if rooms are still available.....call them at

Address: 2221 W Spruce, Rawlins, WY 82301

Phone: (307) 324-2737

We're looking forward to another great Three Flags Classic with the traditional ride thru 3 countries!

See you in Puerto Penasco (Rocky Point) on the east shore of the Sea of Cortez, at the checkpoints in NM, WY,

and MT, and at the Deerfoot Inn and Casino in Calgary (home of the famous Stampede Rodeo).

BTW - In case you haven't read the last two newsletters, click [HERE](#) for some pictures of what you will see when you cross the border at Lukeville.

Ride Safe..... Ride Long,
