

Hello Everyone,

Thank you for joining us on the 43<sup>rd</sup> annual Three Flags Classic; everything is shaping up as we near the date of our meeting in Puerto Peñasco for the start.

Here is a very important message for you:

**PLEASE READ AND COMPLY**

**Check-in Requirements:**

- 1. You must present a valid drivers license**
- 2. You must present your Mexico Auto Liability Insurance Policy**
- 3. You must sign an AMA Release of Liability and a Mexico Release of Liability (these ROL's are required by our insurance carriers) **These ROLs will be at the check-in table for you to sign.****

**You will not be checked in unless you comply with items 1, 2 & 3 above.**

**To enter Mexico, you must have Mexican Auto Liability Insurance. This is a Mexican law. If you are in an accident and/or stopped by Mexican police and cannot present Mexican insurance coverage, you run a number of risks: **"Federal Police will enforce this law and drivers caught without coverage will face fines starting at \$200 U.S. If a driver is involved in an accident without coverage, they will face fines starting at \$1,000 U.S. In addition to possible jail time and legal expenses."****

**(Gonzo commentary: I suspect that, if in the USA or CAN and we don't have insurance, we would also face fines and other legal issues)**

**Below are a few companies that offer such policies.**
