

Hello Everyone,

Click Here <https://sc-ma.com/wp-content/uploads/2018/08/2018-Route-Sheet-3-Flags-v-5a.xlsx> for the Turn by Turn route sheet because you are a 3FC18 Rider.

The spreadsheet is designed to give you best reading ability from a tank bag or if mounted on the console.

Notice there are 5 tabs: Leg #1, Leg #2, Leg #3, Leg #4, and Alt Leg #4

Dannie Fox prepared Alt Leg #4 for those riders who elect to avoid the road construction on Hwy-89. This construction is a five-mile stretch, centered at St. Mary, and may be hard pack dirt, packed gravel, loose gravel, some loose dirt, and some grooved asphalt.

Please print these sheets out for your use while riding the 3FC18....it is a good back up to your Garmin.

See you in Penasco !!
