

Hello Everyone,

A few of you have been asking about Mexico Liability Insurance and if it is required to check-in at the start.

We thought that we had released that info and guidance but darn if we can find it.

So here it is:

1st: YES, upon checking in at the start you must present your drivers license and Mexican Liability Insurance.

2nd: If you haven't purchased your insurance yet, we encourage you to consider Baja Bound at <https://www.bajabound.com>

Simply click on "Get a Quote", select "Vehicle", and the prompting takes over at that point. You will receive quotes from two underwriters HDI and Chubbs.....you select one.

BajaBound has become one of our sponsors and we will be promoting them exclusively next year.

**Hope this is helpful!
See ya in SLRC.**
