CANCEL YOUR HOTEL 2021 RESERVATIONS!

Hello Three Flag Riders!

Please do not forget to cancel your Three Flags Classic hotel reservations for 2021. I recently spoke to one of our host hotels (Cortez, Colorado) and they still had 60 hotel rooms booked. If you make reservations and don't cancel them your credit card will be charged.

Also know that the Biden administration has suspended opening the Mexican and Canadian borders to people coming into the USA until late September. I believe our decision to cancel the ride this year was a good one. We don't want to exclude our friends from the north and south!

Remember, if you want to rollover your 2020 or 2021 TFC registration fee to 2022, do nothing. It will automatically roll over to the 2022 ride. If you chose to get your refund you will be subject to any increase in registration fees on January 1, 2022 at 10 AM when registering for 2022 will take place on line.

See you all in September 2022. Same start and finish hotels. Look for hotel announcements in October or November 2021. It will be in E-Blast 1. The E-Blast will also appear on the SC-MA.com website.

Sincerely,

Steven Shulman, Chairman
