

FINAL E-BLAST-8

Just a few more things before you hit the road for Mexico:

MEXICALI

You may have heard about some violence in Mexico last week. I've been in communication with our Mexican liaison and the Mexicali Bureau of Tourism. Most of these events have taken place in the Tijuana, Rosarita Beach, and Ensenada area of Mexico, far west of Mexicali. While there have been some incidents reported in Mexicali, as of yesterday, things have been quiet with few reports of any problems. It is a relatively large city with a population over 1,000,000 people. The Araiza Hotel is approximately 10 minutes driving time from the US Border. That said we still suggest arriving in Mexicali during daylight hours and to remain at the hotel during hours of darkness. We will have additional security in the hotel and parking lot for motorcycles.

SPOT WALLA

For 2022, your 3FC Committee has partnered with SpotWalla to set up a Location Page that will show the current location of all 3FC riders who have opted to participate. In simple terms, it means we will have a map to show where people are. It can be a great tool for folks to follow along at home or to check on friends outside your riding group. If you'd like to join in or simply want more information, go to <https://sc-ma.com/three-flags-classic/test-spotwalla/>

ArriveCAN

Please download the ArriveCAN app on your phone. If you need some assistance in Mexico we have some people that can assist, but it is highly recommended you do this BEFORE arriving in Mexico. Please go to the ArriveCAN app for information. Don't forget your PASSPORT, VACCINE CARD, and MOTORCYCLE driver's license.

THREE FLAGS CLASSIC ROUTE

At the dinner in Mexico we will update you about any road conditions we've become aware of and one road closure we were told about in the last few days. Please try to arrive as early as possible on August 31, check-in day, or get there a day early and enjoy a day at the pool and restaurant.

PHOTOGRAPHS

Please have your TFC Passport photograph taken early. This is typically what slows our check-in line down. Photos can be taken at the Araiza lobby 2 days before check-in.

See you in Mexico!
