

E-Blast 9

2022 THREE FLAGS CLASSIC

Hello 2022 Three Flag Participants –

Thank you very much for your attendance at this years Three Flags Classic which started in 2020 and finished in 2022.

I hope you all returned home safely and will consider riding with us again.

The primary reason for this E-Blast is for one major reason. As you know we recognize people who travel to the start of the Three Flags Classic from other countries. This year we recognized our Mexican and Canadian friends, but inadvertently failed to recognize two of our friends and members that came from Nigeria. I had the pleasure of speaking with both of them during the course of our event and seeing them at various checkpoints. In fact, the wife of one member came to the Mexicali banquet.

It is with deep regret that this was overlooked. I accept complete responsibility for the omission. I hope they return and decide to bring more people from their country. We'll be sure to acknowledge their attendance next year. I hope you have the privilege of meeting them.

I hope to see you all in 2023!

Steven Shulman, Chairman
2022 Three Flags Classic
The 45th Annual Ride
